**RELEASE OF MARCH 2011 EXAMINATION RESULTS****UNDER NO CIRCUMSTANCES WILL RESULTS BE  
PROVIDED BY TELEPHONE**

Professional Geologist (PG) and Geologist-In-Training (GIT) examination results will be mailed approximately May 6, 2011.

Result letters are sent by U.S. Postal Service. Please do not request a duplicate result letter unless you have not received the original result letter by May 18, 2011.

The result letters are mailed to the candidate at his or her address of record. If you have changed your address of record since the examination and you have not yet notified the Board directly, you need to complete an Address Change Request Form (available on the Board's web site) and fax it to the Board at (916) 263-2246. Submitting a change of address or forwarding request to the U.S. Postal Service is not sufficient; you must notify the Board directly.

**Examination Review and Appeals**

Examination review and appeals are not available for the PG & GIT examinations. ASBOG® only allows for review and re-scores when mandated by state law. California has no such law in effect for the PG or GIT examinations.

**Applicants Who Failed One or More Examination**

Applicants who took and failed one or more examinations in March 2011 will receive a re-take application with their result letter which can be used to apply for the next scheduled examination date. Re-take applications for the September/October 2011 examinations must postmarked by August 5, 2011. To use the re-take application process you must submit the form within 4 years of the failed examination. After 4 years of no contact from the applicant the application is considered abandoned and may be destroyed.

**Applicants Who Failed to Appear for One or More Examination**

Applicants who did not take one or more examinations for which they were scheduled and do not have an approved "Request for Postponement" for the examination(s) in question, will be required to submit a new application for future examination(s), including all application and examination fees by the scheduled final filing date for the examination they want to take.
